Subject: Approval of Notice of Intention to Commence Large Mining Operations and Reclamation Surety, Utah Dept. of Transportation, UDOT Beck Street Quarry, M/011/003, Task # 1531, and Closure of UDOT Beck Street Exploration Project, E/011/001, Davis County, Utah

Dear Mr. Jensen:

The Board of Oil, Gas and Mining approved the Reclamation Surety Agreement as a form of a self-bonding agreement on April 25, 2007. The Division previously approved the Notice to Conduct Large Mining Operations. The Division now permits you to begin mining operations as outlined in your large mining notice. The surety will be reviewed periodically to assure that the bond remains adequate.

Enclosed are copies of the signed and executed Reclamation Contract and surety bond forms for your files. Also enclosed is a copy of the "approved" Notice of Intention to Commence Large Mining Operations for your files. If in the future, you wish to modify your mining and reclamation plan, please furnish a redlined and strikeout version of the page(s) you wish to change and indicate how these are to be incorporated into the current approved plan using Form MR-REV-att, which is located on the web at www.dogm.utah.gov.

With the approval of the LMO, the Division closes the referenced exploration project since it is incorporated in the approved mine plan.

The Reclamation Surety Agreement will be mailed under separate cover. If you have any Questions regarding this action, please don't hesitate to call me at 538-5258 or Lynn Kunzler at 538-5310. Thank you for your help and patience in finalizing this permitting action.

Sincerely,
